

WHITEHORSE TRUCK CENTRE

Diesel Mechanic

Well established truck dealership has an opportunity for a diesel mechanic to join our dedicated team, specialising in Mercedes-Benz, Freightliner and Sterling trucks. The successful applicant will be experienced in all facets of medium and heavy duty truck repairs and will have the drive to learn and further develop their skills.

Our progressive dealership supports factory training promotion within the company, offers well above award wages, and opportunities for overtime.

If you are looking for a career opportunity, a great work environment and financial rewards for your skills, this could be the job you have been waiting for.

Contact the Service Operations Manager on 9791 6533 to arrange a confidential interview.
